It's an important part
of being a nurse!

Everyday nurses speak up for
safe staffing, for safe practices
and for good care for all of our
clients, residents and patients.

May 9-15 is National Nursing Week.

It's a time to celebrate the contributions Registered Nurses,
Registered Psychiatric Nurses and Licensed Practical Nurses
make to the well-being of our families and our communities.

The union of 25,000 Registered Nurses, Registered Psychiatric
Nurses, Licensed Practical Nurses and allied health workers.
