Dear Madam:

**Re: An application for determination brought by United Nurses of  
Alberta and Jessica Wakeford affecting Alberta Health Services -  
Board File No. GE-07762**

---

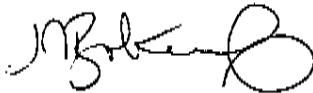

Further to the Board's correspondence of May 3, 2018 and the applications for intervenor status referenced therein, AHS has no objection to any of the requests for status.

In this same correspondence, the Board made reference to and attached a number of statements provided to the Board by affected employees. AHS does not admit any allegations made against AHS within any of these statements.

AHS will respond to those allegations in the event those issues are determined by the Board to be relevant to the application.

Yours truly,
